GIGI GUERTS**

Ohana Hospitality

Ohana meaning family in Hawaiian and Hospitality meaning the generous reception and entertainment of guests, visitors or strangers; our team focuses on both. Ohana Hospitality is inspired by their love for each other and sharing beautiful food and beverages with friends and family. Gretchen (Gigi) Guerts is one member of the duo that is Ohana Hospitality.

Born the eldest of six from a loving Wisconsin family, Gigi learned the art of hospitality at a young age by helping with simple home tasks and thrived when this included good food and entertaining. Her passion for travel and culture has taken her to Mexico/Central America, Europe, Southeast Asia and Hawaii- where she settled for a decade. On Maui, her strong work ethic enabled her to assist as a private Sous Chef and Server, refining her skills as Mixologist, Pairing Enthusiast and perfecting the presentation of service to tailor the needs of each guest. Gigi currently joins her partner in love and life, Robert (Robby) Van Egeren, to offer this service back in her roots of Door County, Wi.
