DOOR COUNTY

Pink BakerY, owned by Kim Jensen, is a full-service bakery and catering company, located directly behind Mojo Rosa's and right next to Main Street Market in Egg Harbor. Pastries and cookies, cupcakes and cakes, homemade pies and breads — all of our goodies are fresh every morning and made with a whole lot of love and care. In addition to an assortment of bakery items, we also make custom cakes to order for weddings, birthdays, anniversaries, and other special occasions. To take a look at what we might offer on a given day — or get a preview of our many custom cakes we bake each year, visit our website or join us in person.
