

## Class Descriptions Sturgeon Bay Program Center

1900 Michigan Street  
Sturgeon Bay, WI 54235  
(920) 743-4949

**Adult Swim Lessons** - Ages 16 + This class is designed to improve freestyle technique and endurance. This is the ideal class for adult lap swimmers, triathletes and post competition swimmers. We will have progression challenges for all levels.

**After School Art** - Your child will gain both confidence and an understanding of the visual arts while building, painting, and drawing.

**Aqualite** - • Ages 13+ A great water aerobics class for seniors or those just getting back into exercise. You do not need to know how to swim to enjoy this class.

**Aquatic Knee & Hip Joint** - • Ages 13+ For those with Impending joint replacement or those who have had this surgery. The water provides cushion and support while reducing the impact of your joints, allowing you to do more than you would on land. In both shallow & deep water.

**Art Adventures** - Preschoolers engage with great artists/illustrators as we play, create, and practice looking carefully at the art around us. Each class includes time for showing and sharing as well as games and projects inspired by our artist of the week.

**Creative Movement** - •Ages 4-7 Designed for children to develop basic movement techniques. Activities draw on child's response to rhythm, music and imagery are included. Music, games and stories are part of the class content. Wear comfortable clothing and bare feet.

**Cycle** - • Ages 13+ This stationary cycling class is a great workout for all fitness levels. The instructor takes the class on an inspirational ride using music and cues to mirror a road ride experience.

**DCY Spring Training** - Please contact the branch's Aquatics/Swim Team Director for additional information.

**Dolphin Club/Swim Lessons** - • Ages 5+ Sturgeon Bay • Ages 6+ Northern Door For swimmers interested in competitive swimming, but not ready for the Swim Team. Swimmers will see what it's like to be on the team and will see great stroke improvement and improved physical fitness.

**Essentrics™** - A dynamic, full body workout that simultaneously combines stretching and strengthening, while engaging all muscles. Through standing and floor work, this class will increase your flexibility and mobility for a healthy and toned body.

**Fit for Life** - • Ages 13+ A great cardio and strength class. Participants run stairs, do step ups, and lots of aerobic and floor work.

**Flex Power** - • Ages 13+ Flex power is a strength training class using a barbell and various other pieces of equipment. You determine your level of fitness. Stretch and abdominal work included.

**Healthy Choice** - Ages 13+; Fun, easy to follow aerobic, muscle, endurance and conditioning class for all levels.

**HIIT** - Ages 13+ High-Intensity Interval Training is a compact class - no more than 30 minutes - that aims to push you to your max for a short period of time followed by rest and then repeated.

**Home School Phy-Ed** - • School aged Interested in gym class for your home-school child? The YMCA offers the perfect location for this type of educational opportunity.

**Kettlebell** - • Ages 13+ This class combines cardio, strength and endurance development. Come and experience a whole-body workout using a kettlebell.

**KinderCubs** - • Ages 3 1/2 to 5 1/2 KinderCubs focuses on beginning gymnastics, including tumbling, low bar, beam and trampoline. We also include songs, games and emphasis on the YMCA core values.

**KinderGymnastics** - • Ages 4 to 6 The emphasis of KinderGymnastics is the basics of the sport: basic body positions, swinging, rotating, balance, flexibility, strength and agility. Children will learn beginning skills and terminology associated with gymnastics.

**KinderSports** - • Ages 3 to 5 This class will look to improve the basic motor skills for kids ages 3-5 using different sports. Kids will learn the basic skills for various sports using fun activities and music.

**Knee & Hip Joint** - • Ages 13+ Is a new joint in your future? Have a new joint and want to sustain your gains? This is a collaborative program between Door County Medical Center and the YMCA.

**Land Arthritis** - • Ages 13+ This class is developed by the Arthritis Foundation, designed to help keep joints flexible and muscles strong. You'll have less pain and more confidence in your ability to continue activities.

**Little Scientists** - Hands-on science that will fascinate your child. We will explore, experiment, build, create and learn through fun activities.

**Livestrong Alumni** - • Ages 13+ Livestrong is a powerful program for those who are affected by cancer. Please refer to the Sturgeon Bay fitness section of the program guide for additional information.

**Moving for Better Balance Alumni** - An instructor-led group program designed to help you improve your strength, balance, flexibility, and mobility through the slow and therapeutic movements of Tai Chi, a graceful form of exercise and deep breathing.

**Over Your Head** - • Ages 13+ Deep-water cardio/strengthening water workout with no impact! Use jog belts, dumbbells and noodles. Must be comfortable in deep water.

## Class Descriptions Sturgeon Bay Program Center

1900 Michigan Street  
Sturgeon Bay, WI 54235  
(920) 743-4949
