The Next Chapter

Dear Door County YMCA Community,

We hope this letter finds you in good health and high spirits as we reflect on yet another remarkable year at the Door County Y. It is with great pleasure and a sense of pride that we present to you our annual report, highlighting the significant milestones, accomplishments, and impact we have made together.

First and foremost, we want to express our deepest gratitude to each and every member, volunteer, staff, and supporter who have been an integral part of the Door County Y family. Your unwavering dedication and commitment to our mission have allowed us to continue serving the needs of our community and making a positive impact in the lives of countless individuals.

Our commitment to **youth development** has remained steadfast, with programs and initiatives that provide a nurturing and inclusive environment for young people to learn, grow, and thrive. From afterschool programs, year round snack and lunch programs, to summer camps, we have continued to empower our youth by fostering their leadership skills and instilling the values of caring, honesty, respect and responsibility.

We continue our efforts to promote **healthy living** and physical fitness. Our wellness centers, swimming pools, and sports programs provide opportunities for individuals and families to stay active and prioritize their health. We have also continued to offer virtual platforms, offering online workout classes and virtual personal training sessions, ensuring that our community members can stay connected, engaged, and healthy wherever they may be.

The Door County Y's commitment to **social responsibility** has been further strengthened through our strong relationships with community partners. We have worked with local schools and community organizations to address the needs of vulnerable populations, offering assistance, resources, and a sense of belonging to those who need it most.

None of our achievements would have been possible without the generosity and support of our donors, members, staff, and Board of Directors. We want to extend our heartfelt appreciation to each and every one of you that has, in some way, contributed to our cause. Your investment in the Door County Y has helped us expand our reach, enhance our programs, and create a lasting impact on the lives of the people in our community.

As we look ahead to the coming year, we remain committed to our mission and our vision of a thriving, inclusive, and healthy community. We will continue to adapt to changing needs, leverage technology to expand our reach, and uphold the values that have guided us for generations.

Thank you once again for your unwavering support and commitment to the Door County Y. Together, we will continue to build a stronger and more vibrant community, one that nurtures the potential in each individual and fosters a sense of belonging for all.

COMMITTED TO THE DOOR COUNTY YMCA

The Door County YMCA is pleased to announce the dedication of its Northern Door Program Center to Jackie and Steve Kane in recognition of their outstanding commitment to the organization.

Over the years, the Kane's have demonstrated an unwavering dedication to the Door County YMCA and its mission of strengthening the community through programs and services that promote youth development, healthy living, and social responsibility. Their generous support has enabled the Door County YMCA to expand its facilities and programs, providing access to critical resources and opportunities for people of all ages and backgrounds.

"Jackie and Steve Kane have been tremendous supporters of the Door County YMCA for many years, and we are honored to recognize their contributions with the dedication of the Northern Door Program Center," said Tonya Felhofer, CEO of the Door County YMCA.

"Their leadership and generosity have significantly impacted our organization and the people we serve, and we are grateful for their continued support."

"Jackie and Steve Kane's commitment to the Door County YMCA has been extraordinary," said Sally Pfiefer, Board President of the Door County YMCA. "Their vision and leadership have helped to shape the organization into what it is today, and we are proud to honor them in this way."

The ceremony was graced by the presence of esteemed guests, community leaders, donors, and friends who gathered to celebrate this significant milestone. The dedication speeches highlighted the remarkable impact of Jackie and Steve Kane's vision and philanthropy on our organization and the community at large.

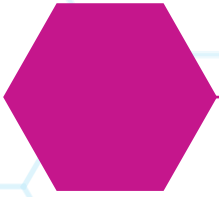

We extend our heartfelt appreciation to all the attendees for their invaluable support. Your presence brought a sense of camaraderie and collective accomplishment to the event. The Jackie & Steve Kane building stands as a symbol of progress, collaboration, and the power of philanthropy to drive positive change.

We are immensely grateful for the continued support of our community, which enables us to fulfill our mission and make a lasting impact on the lives of countless individuals. The dedication ceremony was a reflection of the unwavering commitment of individuals like you who believe in our cause and contribute to our success.

We look forward to continuing the opportunities that the Jackie & Steve Kane building will provide, as it becomes a hub of innovation, collaboration, and community engagement.

Once again, we extend our deepest gratitude to all who attended the Jackie & Steve Kane building dedication. Your presence made the event truly memorable and emphasized the collective spirit that drives our organization's success.

HEART of the COMMUNITY CAPITAL CAMPAIGN

The Heart of the Community Capital Campaign, which started in the fall of 2019 was paused by spring of 2020, due to the pandemic. The campaign has been in a quiet phase since its re-launch in June 2021. Thanks to the generosity of early donors, the campaign has raised \$8.9 million dollars.

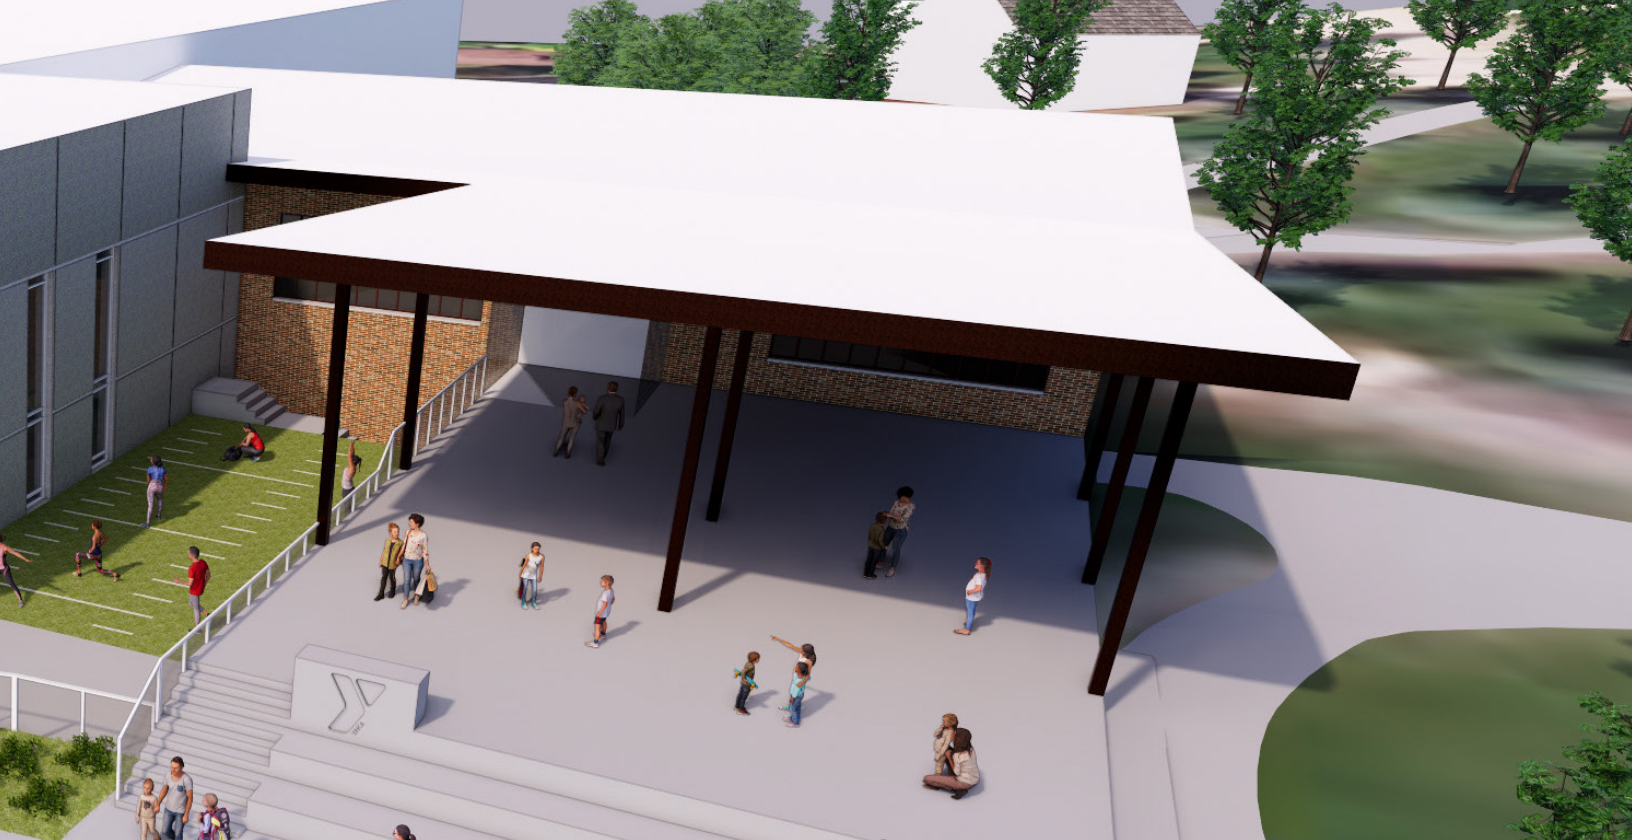

“As we head into the final fundraising phase of this project, we are excited to share that we have received a \$500,000 matching gift,” said Heidi Erickson, Door County YMCA CEO, “meaning we need to raise another \$500,000 in our community to complete this \$9.9 million dollar project.”

Since opening its doors in 1986, the Door County YMCA has listened to the community, offering the programs, and services individuals and families in the area need. The current Sturgeon Bay Program Center was established in 1997, followed by the addition of the Carla and Ellsworth Peterson Aquatics Center in 2001. Since that time there haven’t been any significant capital improvements outside of general maintenance.

Today, we are nearing historically high membership numbers. Current participation levels are stretching program spaces, limiting the organization’s ability to provide the innovative programs our community needs.

A renovation and expansion of the Sturgeon Bay facility will allow the YMCA to provide a welcoming, supportive environment where all community members can come together; increase accessibility for older adults and those with mobility challenges; create more gathering spaces for education, meetings, and community connections; deepen partnerships with other organizations; and ensure that the organization is meeting the community’s needs now and for future generations.

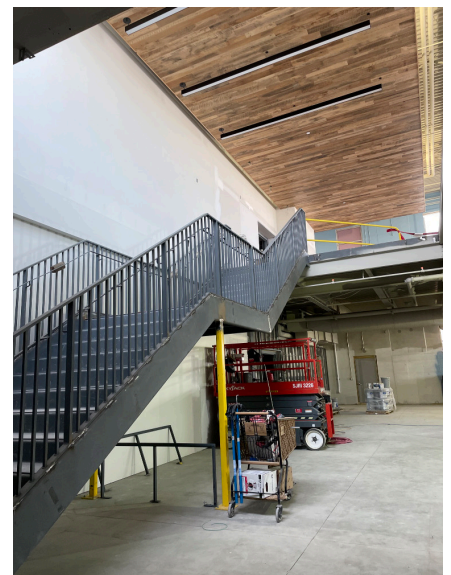

“The addition of a Youth Activity Center will be a highlight of this renovation and expansion”, said Tonya Felhofer, Mission Advancement Executive. “We will be able to bring some of our most important youth programs like camp and after-school care, back onto our campus, where these children will have access to our pool, our gyms, the park, and our new outdoor learning classroom.”

"This is an exciting time for the Door County Y," said Tom Beerntsen, Capital Campaign Co-Chair, "but there's still work to be done and we need the help of our community."

The Sturgeon Bay Program center serves as the community hub, bringing neighbors together from all walks of life for more than 30 years. It is at the Y where friendships flourish, children are nurtured, and people grow stronger in spirit, mind, and body.

The Door County YMCA has contracted with The Boldt Company and will break ground in September 2022. To learn more about the Heart of the Community Capital Campaign and support it, contact Tonya Felhofer, Mission Advancement Executive at 920.743.4949.
